L2 Consulting Services, Inc. Names Douglas Mailat as Manager of Sales and Business Development

Austin, Texas – June 19th, 2014 - L2 Consulting Services, Inc. (L2), a leading provider of avionics integration, engineering and installation services, is pleased to announce the appointment of Douglas Mailat as Manager of Sales and Business Development. With a career spanning 20 plus years in business development, marketing, sales and promotion, Douglas will be responsible for managing current and prospective L2 customer relationships in addition to expanding the recognition of L2 company services within the industry.

L2 President Mark Lebovitz said, “We are delighted that Doug has accepted this position with L2.” He added, “Doug’s experience, industry contacts and vast capabilities are the perfect fit to help our business continue to grow and we are happy to have him on our team.”

Prior to joining L2, Douglas worked for Laversab as an Aviation Products Sales Manager, where he identified, developed and expanded business opportunities among the Military OEMs for the fixed-wing, rotor-wing and Unmanned Aerial Vehicle markets. Most notably, Doug was the Associate Publisher at Access Intelligence helping to oversee the Avionics and Aviation Maintenance brands. Additionally, Doug worked at PennWell Corporation as the Sales Director/Associate Publisher for the Aerospace & Defense Media Group. In 2005, Douglas was the winner of the Access Intelligence Sales Leadership Council and served as an Industry Liaison for the Airline Avionics Institute from 2005 through 2013. Doug holds a B. S. degree from Miami University in Business Administration.
