**For Immediate Release**

**L2 Consulting Services, Inc. Hires John Letlow as Engineering Manager**

**Austin, Texas– November 15<sup>th</sup>, 2012-** L2 Consulting Services, Inc. (L2) announced the company has hired John Letlow as Engineering Manager. Mr. Letlow (age 49) brings over 22 years of avionics engineering and test experience to the company and has particular expertise with Flight Management Systems (FMS) and Flat Panel display integration. Prior to joining L2, Mr. Letlow worked as a Program Manager with Universal Avionics System Corporation where he was responsible for leading teams in all aspects of new product development and FAA certification efforts. Mr. Letlow holds a Master of Science degree in Electrical Engineering Technology from Southern Polytechnic State University and a Bachelor of Science degree in Mechanical Engineering from the University of Alabama at Birmingham.

Additionally, L2 has hired Michael Haffey (age 48) as Senior Avionics Engineer. Mr. Haffey brings to the company over 23 years of avionics integration and maintenance experience.

L2 Vice President Operations, Dean Rudolph said, “L2’s avionics integration and engineering services are in high demand and as such we are continuously looking for qualified candidates to join our team.” He added, “We are extremely pleased to have both John and Michael join L2.”

**About L2**

L2 Consulting Services, Inc. ([www.L2aviation.com](http://www.L2aviation.com)) provides avionics engineering, integration and installation services (FAA CRS L2ZR265X) for the global air transport industry. Since 1997, the company has been performing integration of digital avionics systems into analog and digital aircraft. Additionally, L2 offers full installation and support capabilities. L2 specializes in EFB, ACARS, RAAS, TAWS, Satcom, Terminal and Cabin Wireless, Flat Panels, DFDR and FMS among other avionics systems.
