FOR IMMEDIATE RELEASE

L2 Consulting Services Inc. Announces New Client Experience Manager

Dripping Springs, Texas – November 12, 2018 - L2 is pleased to announce Desiree Eversole has been promoted to a newly created position as Client Experience Manager responsible for L2's customer service and marketing functions.

As a critical link to the aviation industry, the Client Experience Manager will play a significant role in determining company strategies to optimize current and future customer experiences, and grow L2's business within the domestic and international aviation markets. The position will serve as the primary advocate with responsibility for facilitating and improving client relationships.

Mark Lebovitz, L2 President noted, "As Client Experience Manager Desiree will play an essential role toward L2's mission to wow current clients through excellent customer service and attract new business via consistent, best of class, and exceptional 24/7/365 experiences."

Desiree joined L2 in November 2015 bringing customer service and management experience from her tenure with Target. She is a graduate of Texas State University with family ties to the founders of the city of Dripping Springs, Texas where L2 is based.

About L2

L2 Consulting Services, Inc. (www.L2aviation.com) provides avionics engineering, integration and installation services (FAA CRS L2ZR265X) for the global air transport industry. Since 1997, the company has been performing integration of digital avionics systems into analog and digital aircraft. Additionally, L2 offers full installation and support capabilities. L2 specializes in Satcom, EFB, e-Enabled, Flat Panels, ACARS/DataLink, RAAS, TAWS, Terminal and Cabin Wireless, Flight Data and FMS among other avionics systems.
